Product Description

Product Description

High Quality Remote Control Shangri-La Ripple Fold Curtain Design For Living Room

Shangri-La Blinds (Manual / Motorized)

Shangri-La Blinds are customized fabrics that has a special wave that links the day and night fabrics together.

Upon drawing the entire blind down, the blind opens up at the end to reveal a see-thru mesh, therefore having both day and night-blind functions in 1 blind.

The Shangri-La Blinds look best in white blackout fabric as the sheer elegance of the fabric is exuded through the purity of the color white.

It holds true to its capabilities to block out sun with 100% blackout fabric in between each sheer fabric.

Because of the blackout fabric in between, the Shangri-La Blinds are effective in reducing glare and heat within the room. This allows for better control of light and room temperature.
